

## CELEBRATING TEN YEARS

■ Milk Crate Theatre will celebrate the extraordinary 10-year partnership between Sydney's homeless and disadvantaged community and professional actors next week. The free 10th anniversary performance will combine professional actors from the company and puppeteers from the internationally renowned puppetry company Erth, with three separate groups of participants from Wesley Mission's Edward Eagar Lodge, The Wayside Chapel and a combined group from Mission Australia and Parramatta Mission. Come and be part of a colourful and outspoken audience on Thursday, August 14, at Edward Eagar Lodge, 348 Bourke Street, Surry Hills.
